2. Declaration and conditions of participation

- I confirm that every participant named above is aged 8 or over.
- I confirm that every participant is a competent swimmer and able to participate safely in deep water.
- I confirm that each participant is fit and able to take part safely and has no injury, illness or condition that would make participation unsafe. If unsure, I will speak to LeisureSK staff before taking part.

Participants must not dive or jump from Atlantis into the pool, deliberately push or knock others into the water, fight or engage in rough play, swim underneath the inflatable or access restricted areas.

- I understand a valid session wristband is required before poolside admission to Atlantis.
- I understand LeisureSK may refuse, suspend or end participation at any time where authorised staff reasonably consider participation unsafe, instructions are not followed, or behaviour presents a risk. Signing this declaration does not guarantee participation.

☐ I confirm that I have read, understood and agree to all statements and conditions above for every participant named on this form.

Acknowledgement of risk: I understand Atlantis involves ordinary and inherent risks associated with a wet, floating obstacle course and deep-water activity, even when properly managed, and I accept those ordinary risks of participation. **Legal position:** Nothing in this declaration excludes or limits any legal duty owed by LeisureSK or any liability that cannot lawfully be excluded or restricted, including liability for death or personal injury resulting from negligence.
